

Sir Ramsey Jones Gryder

"Ramsey"

We recently received a message via our online information form on the website from the Gryder family who happened across our website and discovered from [Crusher's Pedigree](#) that their own pet Boxer, Ramsey, is a distant relative of our own Crusher! Below is some information and pictures the Gryder family has shared with us about Ramsey.

Anyone who has an interesting boxer story to share with us, whether your boxer is a distant relative of ours or some other interesting information, can send your information and/or pictures by [clicking here](#).

Sir Ramsey Jones Gryder was born May 27, 2001.

His parents were: 'Buddy Baker' (FN BLK MSK WH MKGS), b. Mar 2000 & 'Lady Ginger Baker' (FN WH MKGS), b. Mar 2000. Their owners were Paula A. Baker & Joshua S. Baker from Prince George Co., VA.

His connection to your boxer is through his father, 'Buddy'. 'Buddy's parents were 'Ponache's Harley Davidson' (FN & WH), b. Jan 1990 & 'Copper Von Brouhaha' (FN BLK MSK WH MKGS), b. May 1997. 'Ponache's parents were, '**CH Donandru's Harry Winston**' (FN & WH), b. Jun 1987 & 'She-Ra III' (FN & WH BLK MSK), b. Aug 1988.

'Ramsey' is our first Boxer and he is very goofy, he loves ice cubes, peanut butter and loves to play. He thinks he's a lap dog...likes to talk to you in his own special way. He is very smart but stubborn. He is extremely lovable. He likes to wrestle with my wife, Kim. He runs like a deer, kind of bouncing along.

**"Munchkin"
Ramsey's Sister**

He has a sister now...her name is 'Munchkin' a Basset Hound/German Shepard mix we rescued. She came to us in Dec 2002 and she loves him very much and wouldn't know what to do w/o him.

We love him very much. Stay in touch as we've decided from having him that when we have to unfortunately say good bye to him we'd love knowing that we could find another Boxer from the same line. He is truly special. Peace to you! Ray & Kim Gryder

Ramsey's Favorite Things:

Peanut Butter in his KONG
Ice Cubes
Playing tug
Playing hide and go seek
Playing with his ball
